UNITED CHURCH OF CANADA PROGRESSES

Marked Gains Shown Since Year Of Union In Efficiency And Economy Of Operation

(Contributed)

The United Church of Canada has proved to be also a uniting church since the consummation of union on June 10th, 1925, and the economy and efficiency that has been achieved through union has more than fulfilled the most sanguine hopes of the prophets of the union movement.

According to figures released from the offices of the United Church at Toronto, amalgamations since June, 1925, have reached the startling figure of four hundred and ten churches. British Columbia ranks third in the ten conferences of Canada for the number of local churches that have joined forces.

The Maritime Conference leads with eighty-five; Toronto, sixty; British Columbia, forty-five; Montreal and Ottawa, forty-five; Saskatchewan, thirty-eight; London, thirty-six; Hamilton, thirty; Bay of Quinte, twenty-four; Alberta, twenty-three; Manitoba, twenty-two.

By amalgamations and new alignments of churches in their several circuits, overlapping in the three uniting churches has been almost wholly eliminated and very considerable savings have been effected in the church funds. Some three hundred churches were amalgamated within the past year alone and have become self supporting and are no longer a charge on the Home Mission Funds. Money has been released thereby for new work, and one hundred and forty-nine mission fields have been opened up in new territory which was entirely uncharted.

Each of these fields has an average of four preaching appointments and almost six hundred communities hitherto neglected are supplied with religious services and Sunday Schools or week-night schools.

In addition to amalgamation and expansion, church building and church extension and renovation has gone on apace. Some eighteen new church buildings have been built or are in course of erection in B.C. In Montreal Presbytery alone upwards of a dozen new churches have been erected which conform more closely to ecclesiastical architecture than the traditional type characteristic of the last three or four hundred years, and the new church schools are on an entirely new plan providing for all the activities of modern religious education. Much unnecessary or unsuitable property has been disposed of, thereby reducing long standing mortgages and relieving the churches of a heavy burden.

More than thirty-five churches and forty parsonages and manse have been sold and the proceeds applied to the needs of new congregations. In British Columbia six churches and five manse have been disposed of while Manitoba has sold over twenty churches and twelve manse and reinvested the funds to better advantage.

The new church is specially qualified for effective work among the new Canadians who come from southern and eastern Europe as well as among the French, the Orientals and the Indians, to whom western sectarianism is very confusing. The United Church now preaches the Gospel and teaches religion in Canada in twenty languages, and operates twenty-six hospitals in pioneer and foreign and neglected districts. Twenty-six school homes and boarding schools, where homes are remote from secondary education are educated under Christian influences and supervision.

Another feature of the efficiency and economy resulting from the union and made known in a statement issued from Toronto concerns the work of administration at headquarters. Twenty-six boards and committees have been consolidated into six. All the publishing interests of the three uniting churches have been consolidated. Three denominational Church papers have united to form the "New Outlook." The Woman's Missionary Society work is now under one Board and the three missionary papers are consolidated in the "Missionary Monthly."

The three missionary papers representing the general mission work of the denominations have been consolidated into "The United Church Record and Missionary Review." All the religious publications for Sunday School and Young People's work are now printed at the United Church Publishing House, Queen St. West, Toronto.

The Boards of the Church have at present intensive surveys going on concerning social and religious conditions in large centres and neglected areas, with a view to recommending a policy for future aggressive work.

VERNON MAN KILLED IN MOTOR ACCIDENT

Through a week-end motor accident on the Cherry Creek road, "Bill" Haros, one of the owners of the National Cafe at Vernon, was killed, while his companion, "Gus" Haros, was fortunate to escape with comparatively slight injuries. The road was slippery owing to recent rains, and the car went over the bank, dropping about ten feet. "Bill" Haros jumped out but was caught by the car and killed.

Rev. H. Pearson, of Lumby, formerly of Winfield, conveyed the victims of the accident to Vernon.

RELIEF COMMITTEE TO ORGANIZE FOR WINTER

Initial Meeting Will Be Held On Wednesday Next

In view of the short season in the canneries, the unduly wet weather and other factors conducing to lack of employment, it has been thought advisable to call the Central Relief Committee together at an early date to prepare for the work of the winter.

A meeting will therefore be held in the Board of Trade office on Wednesday, November 9th, at 3:00 p.m., when the election of officers for the ensuing year will be held and any other necessary business will be transacted. All organizations who were or are interested in this work are invited to send a delegate to the meeting, and they are urged to lose no time in making the appointment, so that the Committee may be as widely representative as possible and that definite plans may be made for the coming winter.

EX-PREMIER SEMLIN DIES AT ADVANCED AGE

ASHCROFT, Nov. 3.—Hon. C. A. Semlin, who became Premier of British Columbia in 1898 and held office until 1900, died here this morning at the ripe age of ninety-four. He had been ill for nearly a year.

Mr. Semlin was born in Ontario and came to British Columbia in 1862, taking up his residence at Cache Creek. He afterwards turned his attention to farming and eventually became one of the principal shareholders in the Dominion Ranch Co., Ltd., owners of one of the best known and largest ranches in the Cariboo country.

WIFE OF HAWAIIAN FLIGHT HERO QUILTS HIM

HOLLYWOOD, Cal., Nov. 3.—A quarrel precipitated by Mrs. Margaret Jensen in which she hurled a pot of hot coffee at her husband, Martin Jensen, Dole Hawaiian prize flight aviator, was ended late yesterday by Mrs. Jensen taking the clothing of both herself and her husband and moving to an unknown address.

The aviator considerably downcast, admitted he did not know where his wife had gone. "She left," he said, "and she can return. Then we will decide what she wants to do."

INTEREST WANES IN TRIAL OF ALLEGED STRANGLER

WINNIPEG, Nov. 3.—The third day of the trial of Earle Nelson, alleged strangler of Mrs. W. Patterson, of Winnipeg, witnessed a noticeable lapse of interest on the part of the public. In contrast to the mad scramble for admittance to the court room yesterday and on Tuesday, only a handful of women were waiting today for admittance to the court.

Mr. Justice Dysart sent the jury out of court while counsel argued whether undue pressure had been used in obtaining an alleged statement from Nelson in the police cells here to his identity, etc. Detective Calder testified that the man had joked and laughed with his captors at police headquarters and had written out a statement. He admitted that no caution had been given the accused before then.

MAY FLY FROM OTTAWA TO CENTRAL AMERICA

NEW YORK, Nov. 3.—Dispatches from Garden City, L.I., state that a flight from Ottawa, Ont., to Central America is being arranged by Capt. Jack Bruce Corey, of Santa Monica, Cal. Capt. Corey is now in the East for conferences regarding the proposed flight.

CREAM PUFFS BRING DEATH TO KIDDIES

PROVIDENCE, R.I., Nov. 3.—Two Pawtucket children are dead and six persons, members of two families, are ill as the result, Health Department officials state, of eating cream puffs purchased in a small bakery on Saturday night.

MEN'S VOCAL CLUB RESUMES ACTIVITIES

First Rehearsal Of Season Set For Monday Next

Now that the ban on public assemblies has been removed, the Executive Committee of the Men's Vocal Club have arranged a date for the first rehearsal of the season, which has been set for next Monday, at 8 p.m., in the Anglican Parish Hall, Sutherland Avenue.

It is hoped that all members will be present at this preliminary meeting and that they will make a point of bringing with them any friends who are willing to join the organization. In this connection it is also requested that intending members see Mr. Donald Macrae previous to the rehearsal, so that their voices may be tried out.

The Club extends a very hearty welcome to all who wish to improve their vocal talents and its members are anxious to secure a large number of new vocalists. New music, suitable for male voices, has been secured and every effort will be made to improve on the standard of last season's work, so as to be in a position to give the music loving public of the city and district several enjoyable concerts and retain its appreciation.

The B.C. Products Bureau of the Vancouver Board of Trade is helping to advertise the Okanagan by taking orders for apples to be sent to the Old Country for Christmas.

CLUB CAPTAINS ARE ALSO CHAMPIONS

Leaders Of Ladies' And Men's Sections Of Kelowna Golf Club Capture Honours

The ladies' championship of the Kelowna Golf Club was decided on Monday, the finalists being Mrs. H. F. Rees, the ladies' Captain, and Mrs. C. R. Bull, the Vice-Captain. Mrs. Rees won 4 and 3. In the semi-finals, Mrs. Rees won from Mrs. Broad and Mrs. Bull from Mrs. Willits.

In the semi-finals for the men's championship, H. G. M. Wilson won from D. Currell, 1 up, and C. R. Reid from C. Owen, 5 and 4. The final was played before a large gallery on Thursday last, October 27th, resulting in a win for Mr. Reid, who is Captain of the Club, on the nineteenth green. The match was most interesting and exciting, Mr. Wilson playing from 4 down to all square on the sixteenth green, while both the seventeenth and eighteenth were halved and the contest was finally decided on the nineteenth.

In the semi-finals of the Ladies' Handicap for the Captain's cup, Mrs. Adams had a walk-over from Mrs. McKay, while Mrs. McClintock, who had the lowest net score in the qualifying round, won from Miss Treadgold. The final for this cup, which excited a great deal of interest, was played yesterday and resulted in a win for Mrs. Adams, 3 and 2.

The ban having been lifted, the Junior event will be played today, the four lowest to qualify and they to play in the afternoon to determine the finalists.

The Fall Flights resulted in the following wins: C. DeMara, lowest net score, 94, less 27, 67; F. L. Mitchell, greatest number of holes at par or under, nine; H. G. M. Wilson, lowest score in five sealed holes, Nos. 1, 2, 9, 12 and 13, for a total of 23.

In the First Flight, A. K. Loyd won from E. S. Williams; C. R. Bull from C. R. McLeod; W. R. Trench from P. Smith; C. Rowcliffe from E. D. Alexander; J. D. Quine from K. McLaren; F. L. Mitchell from C. DeMara; St. G. Baldwin from D. Buckland; H. V. Craig w.o. from E. G. M. Wilson.

In the Second Flight, E. M. Caruthers won from J. Ladd; C. Owen from G. Rowcliffe; C. Quinn from C. R. Reid; H. N. Gahan from H. Chapin; H. V. Claridge from A. A. Ballard; H. M. Crawford from J. F. Burne; H. F. Rees and M. H. Lee, byes.

In the Third Flight, G. R. Binger won from S. T. Elliott; G. A. McKay from G. Kerr; W. Longley from D. Macrae; W. Patterson from W. Pettigrew; E. C. Weddell from F. V. Royle; R. Whillis from C. Clarence; A. Treadgold, a bye.

Those eliminated were drawn in a consolation flight, in which play is now proceeding.

Season's Events Close On Thanksgiving Day

The season's events will close on Monday (Thanksgiving Day) with the usual President versus Vice-President competition for both ladies and men. Now that the ban on public gatherings has been lifted, luncheon will be served in the clubhouse at noon. This will enable any one wishing to play in the mixed doubles in the afternoon to get an early start.

Ladies' Interior Championship Postponed

Word has been received from the Secretary of the Ladies' Committee at Kamloops to the effect that, owing to the lateness of the season as well as the inclement weather, it has been decided to postpone until early spring the event to determine the ladies' Interior championship, which was scheduled to take place this fall on the Kamloops course.

48TH BATTALION TO HOLD RE-UNION DINNER

A re-union dinner of ex-members of the 48th Battalion, C.E.F., which left Victoria for overseas in June, 1915, will be held above the Orpheum Cafe, 702 Granville Street, Vancouver, on Saturday, November 12th, at 7:30 p.m.

All former members of the unit are urged to try to get together on this occasion in order to renew the comradeship that was first forged in the days of the Great War. There will be plenty to eat and plenty to drink, and there will be an orchestra and a full programme of musical turns, while the price will be only \$2.00. Tickets can be obtained from any of the following in Vancouver: K. Barr, 422 Pacific Building; C. G. Beeston, 325 Howe St.; Sid Beech, 615 Robson St.; C. W. Ericbach, 823 Hastings St. West; G. A. Carr, 415 Cordova St. West.

Any up-country members who expect to be able to attend are asked to kindly drop a line to one of the mentioned above, so that reservations may be made.

SHOOT CHUM THEN KILLS HIMSELF IN DESPAIR

DOVER, Del., Nov. 3.—Shot by his chum and refusing the plea of the latter to kill him in revenge, John H. Bailey, 17, lying in agony from his wounds, watched Wm. H. Stanley, also 17, shoot himself in despair. Stanley died a few hours later, while physicians believe Bailey will also die. A quarrel as to who should operate their automobile after it had crashed into a fence precipitated the shooting.

DETERIORATION OF APPLES IN TRANSIT

Preliminary Report On Investigations Carried Out By The Empire Marketing Board

Interesting information as to the relative keeping qualities of the different varieties of Canadian apples and as to the extent and nature of the wastage in transit suffered in ships' holds and in stores is contained in the report, just issued, of the fruit investigation conducted during the Canadian season 1926-27 by the Empire Marketing Board at Liverpool, England.

The Fruit Committee of the Empire Marketing Board has the Rt. Hon. J. H. Thomas M.P. as Chairman, Mr. W. A. Wilson, Agricultural Products Representative for Canada, as Vice-Chairman, and Mr. J. Forsyth Smith, Canadian Government Fruit Trade Commissioner, and other experts representing Great Britain and the Oversea Empire, as members.

In their Third (Fruit) Report, the Imperial Economic Committee indicated certain lines of economic investigation which might usefully be explored. With this information at its disposal, the Empire Marketing Board appointed a Fruits Committee to deal with all questions affecting the marketing of fruit, and it was decided to concentrate attention, in the first instance, on problems relating to deterioration of fruit in transit. An experimental investigation at Liverpool was accordingly initiated with the ultimate object of undertaking a general study of the economic significance of wastage as a factor in the imported fruit trade.

The full value of an investigation of the type at present being undertaken can only be realized by the complete history of the fruit is known. This history should include a record of the orchard and weather conditions, the period between picking and shipment, the conditions during rail and sea transit, and the treatment of the fruit after landing. With such a complete log it should be possible to determine the factors which brought about any particular wastage.

Complete details of the pre-shipment conditions could clearly not be obtained for whole cargoes of fruit, but it is hoped to develop a scheme whereby, reports on selected parcels will be made and forwarded with the consignment. These reports might include information as to the weather conditions during the season and at the time of picking, date of picking, date of packing, pressure test record, method of transport from the orchard to the quay and the time taken, the time spent on the quay and the nature of the storage, the general condition of the fruit and its temperature at the time of loading.

Detailed records of the conditions in the ship's hold throughout the voyage can be obtained only by elaborate investigations involving frequent measurements of carbon dioxide, humidity and temperature. The thermographs carried in Canadian vessels give a consecutive record of the temperatures throughout the voyage in one part of the hold, but investigation has shown that considerable temperature variation may occur in different parts of the same hold. Similarly, the temperature records kept by the ship's engineer are inadequate for a scientific study of wastage and, in addition, merely give the temperature of the air in the hold, which may be substantially different from that of the fruit. Intensive scientific studies of refrigerated holds, which have been made by the Department of Scientific and Industrial Research and the South Africa Division of Botany, have yielded results of the highest practical importance, but such studies can only be made infrequently and cannot form a regular part of an investigation which aims at covering a large proportion of the total fruit imports.

Nevertheless, observations made in the hold on arrival when the fruit is being discharged, give a distinct value and give a useful indication of the conditions which have existed during the voyage. Arrangements have accordingly been made with several shipping companies whereby the Board's officers are permitted to board vessels during the period of discharge and take temperatures and other observations in the holds.

A study of the behaviour of the fruit after its removal from the refrigerated hold presents very considerable difficulties. The fruit is distributed among a very large number of wholesale and retail shops and the examination of even a small sample is, in consequence, a very lengthy procedure. Further, it is often extremely difficult to trace any particular parcel of fruit.

In the connection, various retail fruiters have given the Board's officers authority to examine the fruit in their stores.

(Continued on page 5)

FEW PRELIMINARIES AT OTTAWA CONFERENCE

OTTAWA, Nov. 3.—The conference of provincial premiers began its sessions this morning. Prime Minister Mackenzie King started on his way to the conference that business would commence with only the briefest preliminary speeches of welcome.

SISTERS TO HANG FOR POISONING FATHER

OLMUTZ, Moravia, Nov. 3.—Ana and Theresa Zhoril, sisters, were sentenced today to be hanged for poisoning their father because he would not permit his younger daughter to marry the man of her choice.

THE PRAIRIE FRUIT MARKET BULLETIN

Current Prices And Market Conditions (From the weekly Bulletin issued by J. A. Grant, Fruit Markets Commissioner, Calgary).

Calgary, Oct. 29, 1927.

The Week In Calgary

The weather during the week has been ideal. Beautiful sunshine during the day with light frost at nights has speeded up threshing operations throughout the province. This week-end should see about 75 per cent of the wheat crop threshed.

Wholesalers report business slow. The movement of apples to the consumer has not been as large as was expected during Apple Week, although the movement of cars to country points has been quite heavy. The slow movement into consumption is undoubtedly due to the fact that farmers who invariably buy by the box have been unable to leave their threshing operations. Once these are completed a more brisk movement is expected.

All varieties of winter apples are now arriving on the market—Delicious, Winter Banana, Wagner, Jonathan, Snow, Winter St. Lawrence and Grimes Golden.

Five cars of B. C. potatoes and four cars of Alberta potatoes arrived here this week. Owing to local garden supplies, there is little demand at present for either Alberta or B.C. grown potatoes.

A car of head lettuce arrived here on Thursday from Walla Walla. This is selling wholesale at \$4.00 per crate. What is expected to be the last car of Ontario grapes arrived here yesterday, containing Concord and Niagara.

Calgary Wholesale Prices:

| | |
|--|--|
| Grapes, Niagara and Concord, 6s. No. 1, 68c to 70c | |
| British Columbia— | |
| Pears, Anjou, box, Fancy, \$3.50 to 3.75 | |
| C grade, \$3.00 to 3.25 | |
| Claireau, box, Fancy, \$3.00 to 3.25 | |
| C grade, \$2.75 to 3.00 | |
| Apples, McIntosh, box, Fancy, \$2.35 to 2.40 | |
| C grade, \$2.05 to 2.25 | |
| Crates, \$1.60 to 1.80 | |
| Jonathan, boxes, C grade, \$1.95 to 2.00 | |
| Delicious, boxes, Fancy, 2.50 | |
| C grade, \$2.25 to 2.30 | |
| Wagner and Winter Banana, Fancy, \$2.15 to 2.25 | |
| Gravenstein, Wagner and Winter Banana, C grade, \$1.95 to 2.00 | |
| Jonathan, Wagner and Winter Banana, crates, \$1.60 to 1.65 | |
| Grimes Golden, boxes, "Fey", \$1.85 to 1.90 | |
| C grade, \$1.65 to 1.70 | |
| Crates, \$1.50 to 1.55 | |
| Gravenstein, crates, 1.50 | |
| Snow, boxes, Fancy, 2.20 | |
| Winter St. Lawrence, boxes, Fancy, 1.75 | |
| Potatoes, cwt., B grade, \$1.65 to 1.85 | |
| Onions, Yellow, cwt., Standard, \$2.25 to 2.50 | |

SPECIAL SERVICES AT FIRST UNITED

Armistice And Thanksgiving To Be Commemorated On Sunday

The signing of the armistice will be commemorated by suitable religious services at First Church on Sunday morning next, and National Thanksgiving will be celebrated on Sunday evening, with Dr. Colin G. Young, of Toronto, as the special speaker of the occasion.

The church will be tastefully decorated and soldiers and nurses who made the supreme sacrifice in the great war will be reverently remembered in a period of silence. All returned soldiers and their friends and the members of the League of Nations' Society are especially invited and the general public are welcome.

Rev. A. K. McMinn, the minister, will preach a sermon on "Pioneering for Peace." Under this title he will indicate the teaching of Jesus concerning war and peace and the attitude of the Christian thereto, will define the policy of the Church of Christ and outline the agencies at work today to settle world differences and problems in a pacific manner.

The general public are invited to hear Dr. Colin G. Young on Sunday evening in a great National Thanksgiving Service. Dr. Young is one of the secretaries of the United Church of Canada at the head office at Toronto and is very familiar with conditions throughout Canada. He brings an interesting and illuminating message on religious and social conditions across the Dominion and on the relation of this young nation to world affairs.

Mr. McMinn will preside at the service and a full choir will render special music.

MOTORISTS MAROONED BY WYOMING DRIFTS

SALT LAKE CITY, Nov. 3.—Seventy-five bus passengers and members of private auto parties were marooned in Medicine Bow, Wyoming, last night when drifts from a three-day blizzard blocked the highways on both sides of the little town on the crest of the continental divide.

An eighteen hole course has been laid out at the Vernon golf links by Mr. A. Duthie, professional at the Jericho Golf Club, Vancouver.

JUVENILES ARE NOW FREE OF RESTRICTIONS

Ban Lifts On Persons Under Eighteen Years Of Age

With the exception of restrictions on dances, the remainder of the ban was lifted this morning and the young people of Kelowna and district have regained their liberty and are free to move about without restraint. All houses, both in Kelowna and the rural districts, have been released from quarantine, and the district possesses a clean bill of health in regard to infantile paralysis.

Schools in Kelowna and throughout the district will open on Tuesday, November 8th, and will endeavour to make up for the loss of some eight weeks out of the scholastic year, but a severe handicap has been imposed upon teachers and pupils alike and it will take hard study to retrieve, even in part, the valuable time lost.

DEATH OF CHINAMAN DUE TO MISADVENTURE

Coroner's Jury Attaches No Blame To Any One For Truck Fatality

An inquest on the circumstances connected with the death of Long Ming, commonly known as Leong Ching Yick, who passed away at the Kelowna General Hospital on Thursday, October 27th, was held by Coroner Weddell in the Provincial Court Room in the Casorso Building, on Friday morning, when the following jury was sworn in: Messrs. R. F. Morrison, foreman, W. R. Trench, T. N. Morrison, G. A. Meikle, W. J. Buse and E. Murchison.

After the jury had examined the corpse at the morgue the evidence of Dr. H. H. Boucher was taken. He testified that on the evening of October 25th he had received a telephone message asking him to go to the Kelowna General Hospital, where a Chinaman who had met with a severe accident had been taken. He found the man lying unconscious and that he was suffering from a fracture of the skull between the top of his forehead to the base of the skull and another fracture across the top of the cranium, also minor fractures, and that he was suffering from inter-cranial haemorrhage.

At 9 p.m. he and Dr. Campbell had performed an operation with a view to relieving the pressure on the brain and the condition of the patient had improved a little, but not for long, and Ming had died on the morning of October 27th. He and Dr. Campbell had held a post mortem examination and had found that there had been a multiple fracture of the skull. The brain showed a clot of blood, indicating blood in the tissue and haemorrhoidal pressure. Had the operation not been performed, Ming would have died the night he was conveyed to the hospital.

After Lee Bon had been sworn in as interpreter, the evidence was taken of two Chinese who had been with Ming when the accident occurred which caused his death.

Lee Han, who testified first, stated that three Chinamen, himself, the deceased and another had been sorting onions on the Latta property. When they had finished their work they had loaded the sacks of onions on to a truck belonging to Lee Wong. At about 5 p.m., when they had concluded the loading of the truck with twenty-six sacks of onions, the homeward trip was commenced, the three standing behind the load of onions and holding on as best they could. They managed to keep on the truck till a hairpin bend was reached, but there they all three were jolted off the truck. He did not see the deceased, who had been holding a teapot in one hand, fall off the truck, but on getting on his feet himself he had noticed him lying there and had helped to pick him up. Seeing that Ming was seriously hurt, he had telephoned for a car to take him to the hospital.

Louis Sing corroborated Lee Han's testimony. He stated further that the truck was not being driven fast. He had seen the deceased fall on his back when all three were bumped off the truck. He also had helped to secure a car to take Ming to the hospital.

This concluded the evidence and the jury, after deliberation, brought down the following verdict: "We find that Long Ming came to his death through falling from a truck driven by Lee Wong while turning a corner and coming down a grade."

FATAL COLLISION IN SYDNEY HARBOUR

SYDNEY, N.S.W., Nov. 3.—At least nine persons were killed when the British liner Tahiti collided with a crowded ferryboat in Sydney Harbour today, while fears are expressed that the number of dead may reach seven.

The ferryboat was smashed to kindling. The Tahiti visited Vancouver last spring.

HOSPITAL MOVES TO TEMPORARY QUARTERS

Patients, Equipment And Furniture Transferred To Cadder House Without A Hitch

On Monday last the Kelowna General Hospital was moved successfully to its temporary quarters in Cadder House, pending the carrying out of alterations and extensions to the hospital building. As there were sixteen patients, some of them seriously ill, the move required careful planning in advance, and it was very ably carried out by D. Chapman & Co., Ltd. The fact that everything went off without a hitch was due to the forthright exercised by the Matron, Mrs. Wilmot, and Mr. D. Chapman.

The Matron divided her staff so that half of them were making preparations at Cadder House and receiving patients, while the other half were packing up and vacating patients from the hospital building. All heavy furniture, drugs, supplies, provisions, and spare beds were taken in advance. Then the patients followed one by one in an improvised ambulance prepared by Mr. Chapman. The large tires of the vehicle were half deflated, and so easily was each patient handled that no discomfort was felt by any of them. In the meantime, a fast truck was bringing over the beds vacated, and as each patient arrived he or she was taken to a ward with everything in readiness for their reception and fully equipped.

The first patient to reach the temporary hospital was Dr. W. J. Knox, who felt none the worse for his move. As more patients were transferred the staff at Cadder House was increased until the last patient, Mr. David Crowley, who quite enjoyed the adventure, was brought over safely. By five o'clock the move was completed and Mrs. Wilmot, who had filled the role of a general, marshalling her forces between the two buildings, closed the door of the old Hospital, the last to leave. Tuesday morning saw the contractors in occupation and the work of alteration and renovation under way.

Meanwhile, Cadder House has been fully equipped to provide the best attention for every patient. The directors of the Hospital Society have given careful thought to the problems encountered, and every detail to make the temporary quarters as comfortable as possible has been carried out. The directors are convinced that the heating arrangements will be more than adequate for the coldest weather. The men's public ward is in the billiard room, and the paneled oak walls and beamed ceilings give a cosy and pleasing outlook for the patients. The women's public ward is in the sitting room, and here again paneled walls, the great open hearth and the pleasant view from the large windows all provide ideal surroundings. The private wards, large, well decorated rooms, are upstairs.

The dining-room is used as a diet and tray room and also for the Secretary's office. A room in the basement has been decorated and provided with heat as a dining-room for the staff. The Matron's office is in the large hall upstairs. A large room at the back of the hall has been fitted up for operations and special heating has been installed for this purpose.

The house taken on Abbott Street for the maternity department is providing ideal for requirements, and every one who has visited it has expressed pleasure at the nature of the accommodation it provides.

There is every reason, then, to believe that the work of the Hospital will be carried on with the minimum possible amount of inconvenience during the period it will have to occupy temporary quarters, and it is fortunate that the directors have been able to secure buildings so readily adaptable.

OCCIDENTAL CANNERY PACKING GALLON APPLES

Seventy Hands Employed In Putting Up Fruit In Large Cans

Those who are interested in ingenious machinery cannot do better than watch the work being done at the Occidental cannery, where seventy hands all told have been employed since last Thursday in putting up a pack of apples. Ten of the very latest peeling, coring machines, which come from Rochester, N.Y., have been installed there and the apples, after passing over a novel and very efficient grading machine, are simply put into cups, the machines peeling and coring them at a rate of an apple a second without any danger to the operatives. The fruit is next quartered and cored again by other machines and, after washing, passes on to the forty women trimmers who do any extra work that may be necessary. After being soaked in brine for twenty-four hours, the quartered apples go into the bleaching machines and from there into cans to be put up in syrup. Thus some two thousand gallons of canned apples are turned out daily.

At present Jonathans are being handled, but it is the intention at the factory to put up a pack of nearly all winter varieties and this will furnish much needed employment to many people for a long period and prevent much fruit from being wasted. The apples canned are not culls, coming direct from orchards in nearly all sections of the Okanagan.

Petroleum Coke!
WHAT IS IT?

It is crude oil with the gasoline removed.
It contains absolutely no ash or other waste.
It does not slack in your bin like coal.
It is clean, no smoke, no soot, no dirt.
It is easy to fire and easy to learn how to fire.
It is burned instead of coal or wood in any stove or furnace.
It is large, lumpy and bright.

Do not confuse PETROLEUM COKE with coal coke which con-
tains ash.

So far the area embraced in the limits
of the Summerland Municipality has
been free from Codling Moth, but, as
there are avenues by which that pest
may make its way there, the Municipal

Council has arranged to pass a by-law
prohibiting an exchange of orchard
boxes from areas where infection is
known to exist.

BOY SCOUT
COLUMN

1st Kelowna Troop
Troop First! Self Last!

Edited by "Pioneer"

1st November, 1927.
Orders for week ending 10th of No-
vember, 1927:

Duties: Orderly Patrol for week,
Owls; next for duty, Lynx.
Rallies: As the ban will be lifted on
Thursday of this week, the 3rd in-
stant, we would ordinarily hold a rally
on Monday, the 7th instant, but, as
that day is a holiday, we shall not
hold our first rally until the following
Monday, the 14th instant. Basketball
practices will be held as usual, how-
ever, on Friday, the 4th instant, and
Friday, the 11th instant. Scouts will
play in the same divisions as last year
and new recruits will play in the small-
er division, who commence their prac-
tice at 4 o'clock in the afternoon. The
next size commences at 5 o'clock, the
next at 7 and the last at 8.15.

Patrol Leader Cedric Boyer is leav-
ing us on Wednesday of this week for
Toronto where he will attend college.
He became a member of the 1st Pack
of Kelowna Wolf Cubs as soon as he
was old enough to join and came up
to the Troop from there, where he has
been ever since. He was of great
assistance to Cubmaster Morrison
when he was in charge of the 2nd Ke-
lowna Pack, and his going leaves the
Patrol leadership of the Lynx vacant.
We wish him every success and much
"good camping" in his new activities.

We mentioned a short time ago in a
previous Column that we would have
a little surprise for the Scouts in the
Troop by way of finding out who are
awake and who are sleeping. We
would ask that no one will bring this
Column to the attention of any Scout,
and what we wish the Scouts to do
is to take a piece of paper on which
we wish them to write their name and
the TIME and DATE when they first
read this Column. Then we wish them
to write on the same paper the an-
swers to the following ten questions
and mail the paper in an envelope to
the Scoutmaster or hand it to him or
one of the Assistant Scoutmasters per-
sonally. If a Scout has not read this
Column by Saturday midnight next,
the 5th instant, he need not bother to
send in his paper at all as he will then
be considered as being soundly asleep.
It will not be necessary to write the an-
swers to the numbers. In answering these
questions the Scouts will do so of
their own knowledge and will not ask
for any assistance from any one. The
questions are:

1. What is the Scouts' Motto?
2. What is our Troop's Motto?
3. Name the Troops in our District
of Okanagan North.
4. What do you call the part of
the flag next the pole?
5. What knot would you use to tie
two dry ropes of different sizes to-
gether, and what if the ropes were wet?
6. What knot do you tie around
yourself and the patient to pull him
from a burning building?
7. What would you do if, when
wearing your everyday clothes, in-
cluding your hat, the National An-
them were played where you were?
8. What law would you break if
you allowed your Scout uniform to
become soiled and dirty?
9. What law are you breaking if
you ask for assistance in answering
these questions?
10. What is your Scout signature?

THE PRAIRIE FRUIT
MARKET BULLETIN

2; bananas, 2; vegetables, 1; onions, 1;
lettuce, 1.

Edmonton

EDMONTON, October 26.—Busi-
ness is improving steadily. Another
week or two will see the threshing of
the wonderful Alberta crop pretty well
finished, and more money will be in
circulation than perhaps at any previous
time in the history of the Province.
Grapes and apples are the centre of
interest at the present time, fairly large
supplies of which have arrived upon
this market during the last few days.
The apples are largely winter varieties
for present and future business, but the
grapes, of which we have received cars
from Ontario and California (Emper-
ors), are rather heavy and ordinarily
would be considered near to a calam-
ity, but such is the optimistic temper
of the buying public that these large
supplies are being steadily absorbed at
firm prices, and everything points to
a continuation of these conditions.
McIntosh apples are not keeping as
well as they should, some deterioration
being in evidence.

| car grapefruit (Florida). | |

Moose Jaw

MOOSE JAW, October 26.—The
weather conditions have been very fa-
vorable for the past ten days and thresh-
ing is nearly completed in this district.
Owing to the farmers being busy get-
ting their grain threshed, country busi-
ness has been somewhat quiet and very
little attention has been given to winter
apples. McIntosh apples are cleaning
up fairly well and no doubt this com-
ing week will see winter apples start to
move in good quantities.

| | |
|----------------------------------|------|
| Wholesale prices are as follows: | |

| Cal. Emperor Grapes | 2.00 |
| | 3.75 |

Winnipeg

WINNIPEG, October 26.—Business
for the past week has been rather brisk,
the movement being altogether of ap-
ples, potatoes and onions. B.C. bulk
apples are now coming on this market
for the first time this season. Owing
to the very small stocks of apples car-
ried by the jobbers, it is not likely that
the bulk apples will have an adverse
effect on the apple market at the pre-
sent time. With the exception of two
cars of B.C. potatoes consigned to the
C.P.R. Dining Car Dept., all potatoes
coming on the market are Manitobas.

Vancouver

Clearer and cooler weather has pre-
vaild during the past week and has
had a slightly beneficial effect upon the
movement of seasonable fruits.
The potato market is very dull and
and are moving out at prices as listed.
The greater range in choice seems to
have stimulated the demand to some
extent so that this last day or so the
movement has increased in volume.

A carlot of bulk Jonathans is in and
moving out at 4c per pound. These are
a good buy at that price as the quality
is good, running largely to Fancy grade.
A few boxes of Winter Bartletts are
arriving in mixed carlots. The season
is nearing its end on this variety and as
a result much of the fruit is soft and
only fit for immediate sale.

The potato market is very dull and
some growers are having difficulty in
making sales. Very little storing is be-

ing done, dealers for the most part be-
ing satisfied with a sufficient supply to
meet their immediate requirements. Re-
ceipts of potatoes fit for coast storage
have not been any too plentiful, how-
ever, and no doubt this accounts to
some extent for the lack of interest.

OF "ROD AND GUN"

Dealing with many aspects of outdoor life and hunting and fishing, the November issue of "Rod and Gun and Canadian Silver Fox News," which has just been published, contains a most interesting collection of stories and articles. Among them is a very good yarn on surveying the mouth of the Nelson River in Hudson's Bay, by Robert James, stories from the Tabusintac River in New Brunswick by the well known writer Bonnycastle Dale, a stirring fiction story of the old days of the "fur lords" in the north by Samuel A. White and a good trapping article by Raymond Thompson.

The regular special departments dealing with fishing, shooting, trapping, outdoors and kennel also contain very interesting material while the "Silver Fox News" section contains the latest news of the industry, together with interesting and helpful articles on the care and management of foxes.

"Rod and Gun and Canadian Silver

Fox News" is published monthly by W. J. Taylor, Limited, Woodstock, Ont.

OKANAGAN MISSION

Residents of the Mission were very much interested to learn that Mr. H. R. F. Dodd had purchased the East Kelowna Store from Mr. Pringle. We are confident that we express the feelings of the Mission when we wish him the best of luck in his new enterprise.

Mrs. L. B. Simcoe moved into her house on Richter Street in Kelowna last Tuesday. On the same day Mr. and Mrs. Brown and family came to live in her house here, which they have rented for a year.

We were sorry to hear of the painful accident experienced by Mr. Price. While picking apples he fell from a tree and, catching his foot, fell across a bough. His injuries proved rather severe, several ribs being broken.

Miss M. Lister has arrived from England to stay with Mrs. George Thompson during the winter months.

Mrs. Marjoribanks, of Summerland, is staying with her daughter, Mrs. A. V. Sturges.

It may perhaps not be known to everybody that we owe the improvements on the Chute Lake road to the public spirit of certain citizens of Kelowna who went out last spring, armed with axes, picks and shovels, and improved the old pack trail out of recognition. The writer and some friends had occasion to use the road recently and found it in excellent condition. Nevertheless, we should advise anyone taking a car up the road to carry an axe as jack pines are very apt to fall across the road.

Most growers can now sit back with the comfortable feeling that all their fruit is safely in the packing house or at any rate off the trees, and that their worries are now limited to calculating what they may expect for their labours. At the moment of writing the weather looks somewhat threatening, so that we can but emphasize the fact that we are very thankful indeed.

There seems to be some tendency among the children of the Mission to disregard the restrictions placed on their activities during the epidemic. We should mention that because conditions are improving there is nothing to warrant any slackening on the part of the parents, and until the ban is completely lifted the present regulations should be complied with. The fact that up to now there has been no case in the Mission is not sufficient grounds on which

he will give you a lift

It will pay you to get acquainted with the Confederation Life Agent in your vicinity.

He has information freely at your disposal of a plan that will be a sure help in time of trouble, a real benefit to you and your family.

To be assured of a Guaranteed Monthly Income for the full term of life, secured by very moderate deposits in your productive years, is surely something much to be desired.

Get acquainted with a Confederation Life Agent, and find out all about this plan.

An interesting pamphlet, "A Monthly Income for Life," freely sent upon request.

to relax our efforts.

Hallowe'en has passed, and we appear this year to be no worse off than before. Presumably the Hallowe'en "Devils" have been checked in some measure by the ban.

Most sportsmen these days are of the opinion that we shall see a fall of snow before the pheasant season is out. It will be remembered that it is illegal to shoot birds while snow is on the ground.

Mr. J. C. Clarence and a party of friends intend making a hunting trip down the lake in the near future. We wish them luck! Up to date, Mr. W. Barber has been the only successful deer hunter in the Mission this year.

Mr. B. T. Haverfield has set an excellent example to the apple growers in building a large shed in the corner of his orchard in which to store his fruit before it can be hauled to the packing house.

FOR RADIO AMATEURS

KGO Programme For The Week Of
November 6 to November 12

Frequency, 780 kilocycles; 384.4 metres

Sunday, November 6

11.00 a.m.—Service of First Baptist Church, Oakland; Rev. J. Whitcomb Brougher, D.D., pastor.

4.00 p.m.—Vesper service, Grace Cathedral, San Francisco.

6.30 to 7.30 p.m.—Dinner concert.

7.35 to 9.00 p.m.—Service of First Baptist Church, Oakland.

9.00 to 10.00 p.m.—National Broadcasting Company.

"Great Moments of History: The Story of Sam Adams."

Monday, November 7

8.00 to 9.00 p.m.—National Broadcasting Company.

Under the direction of Max Dolin, the National Opera Company will present the grand opera "Ernani" by Verdi.

9.00 to 9.20 p.m.—"Chats About New Books."—Joseph Henry Jackson.

Tuesday, November 8

8.00 to 8.30 p.m.—"HM" and "JP" entertain.

8.30 to 9.00 p.m.—National Broadcasting Company.

Bridge lessons.

9.00 to 10.00 p.m.—National Broadcasting Company.

"Eveready Hour." The programme promises to be of unusual merit. Featured will be the Eveready Orchestra, under the direction of Max Dolin, and "The Rounders," led by Dudley Chambers.

10.00 to 11.00 p.m.—National Broadcasting Company.

"Retold Tales." The tale for this evening is "The Brief Debut of Tildy." The story is of a young waitress in a New York chop house who became an imitator. It is a story of New York and how the other half of the world lives.

Wednesday, November 9

8.00 to 9.00 p.m.—Vaudeville.

9.00 to 10.00 p.m.—National Broadcasting Company.

"The Vagabonds." A programme of typical college music will be rendered as appropriate to the visit of "The Vagabonds" to a football game.

10.00 to 11.00 p.m.—Frank Ellis and his Hotel St. Francis Dance Orchestra, San Francisco. Intermission numbers by Ed. Fitzpatrick, violinist; Rose Lind, popular singer.

Thursday, November 10

8.00 to 9.00 p.m.—"The Pilgrims."

9.00 to 10.00 p.m.—National Broadcasting Company.

A programme of classical music will be rendered by Pryor Moore and his orchestra, assisted by Robert Hurd, tenor, and Boris Myronoff.

10.00 to 11.00 p.m.—Frank Ellis and

GLENMORE

Mr. and Mrs. R. W. Andrews returned on Saturday from an enjoyable motor trip to the South. Beautiful weather, fine roads, with the delightful company of Mr. and Mrs. George Kerr, who made the trip as well, gave them an ideal time. Several days were spent in Wenatchee and outside districts and much orchard information was gained. Blewett Pass was traversed before the return home.

A fine was imposed on an offender who was caught shooting from the road in Glenmore recently.

The regular Sunday service of the Community Church was resumed last week and, with the lifting of the ban on our young people, Sunday School will be resumed on Sunday next.

Much interest has been aroused over the quantity of fruit hauled from Glenmore this year. To make a near estimate, a census of loose boxes is to be taken. To avoid delay, will ranchers have the number ready?

Road work on the hill at Bankhead will commence on Thursday of this week. The grading of the hill will necessitate a detour for a few days.

Now the apple crop is harvested, some of our sportsmen are planning a hunting trip. Messrs. J. N. Cushing and Morton Paige are among the number. They are at Nahnu.

The Glenmore Community Church are holding a Thanksgiving Service on Sunday next. Will those who have flowers, vegetables, etc., leave them at the School by 3 o'clock on Saturday, or at the home of Mr. J. E. Britton?

The Community Guild will hold their meeting on Tuesday afternoon next, Nov. 8th, at the home of Mrs. S. Pearson. Arrangements will then be made for the sale of work to be held this month.

his Hotel St. Francis Dance Orchestra, San Francisco.

Friday, November 11

8.00 to 9.00 p.m.—Programme by the KGO Players, under the direction of Wilda Wilson Church. Music by the Rembrandt Trio.

"An Hour in Memory Lane." The title of the programme is "Lest We Forget." It is the purpose to recall, however faintly, some of the scenes of the war days with the American Expeditionary Force, the comedy and humour, the splendid achievements and the dearly bought victories. Popular numbers that gained fame during the Great War and war songs of other days will comprise this hour of music.

10.00 to 11.00 p.m.—Girvin-Beale's Hotel Oakland Dance Orchestra.

Saturday, November 12

8.00 to 9.00 p.m.—National Broadcasting Company.

Saturday night review of the week's favourite numbers.

The British Columbia Historical Association has decided to try to take means of preserving the historic courthouse at Richfield, near Barkerville, where Chief Justice Begbie held court in the days of the early gold rush to Cariboo.

IF WE TOLD YOU-

THAT we have a Radiator Fluid;

THAT will not injure Duco, Lacquer, Paint, or any finish at present employed on a car;

THAT has no action on any metal or combination of metals;

THAT will not crystallize and will not clog the circulating system;

THAT will not evaporate;

THAT is odorless—an essential feature when driving a closed car;

THAT is economical in so far as it can be used again, there being no evaporation;

THAT will not affect the ignition system, if spilled;

THAT we can fill your radiator NOW with a fluid that will withstand a temperature of THIRTY DEGREES BELOW ZERO without freezing—

Wouldn't YOU Be Interested??

Let us explain this perfect new Anti-Freeze called "FROST-COP" to you.

SUBSCRIBE TO THE COURIER

THE KELOWNA COURIER AND Okanagan Orchardist.

Owned and Edited by
G. C. ROSE

SUBSCRIPTION RATES
(Strictly in Advance)
To any address in the British Empire, \$2.00
per year. To the United States and other
foreign countries, \$3.00 per year.

The COURIER does not necessarily endorse
the sentiments of any contributor article.
To ensure acceptance, all manuscripts should be
legibly written on one side of the paper
only. Typewritten copy is preferred.
Amateur poetry is not published.

Letters to the editor will not be accepted for
publication over a "non de plume"; the writer's
correct name must be appended.

Contributed matter received after Tuesday night
will not be published until the following week.

ADVERTISING RATES
Contract advertisers will please note that their
contract calls for delivery of all changes of
advertisement to The Courier Office by Mon-
day night. This rule is in the mutual inter-
ests of patrons and publisher, to avoid con-
fusion on Wednesday and Thursday and
consequent night work, and to facilitate pub-
lication of The Courier on time. Changes of
contract advertisements will be accepted on
Tuesday as an accommodation to an adver-
tiser confronted with an emergency, but on
no account on Wednesday for the following
day's issue.

Transient and Contract Advertisements—Rates
quoted on application.
Legal and Municipal Advertising—First inser-
tion, 10 cents per line, each subsequent inser-
tion, 10 cents per line.
Classified Advertisements—Such as For Sale,
Lost, Found, Wanted, etc., under the heading
"Want Ads." First insertion, 10 cents per
line; each additional insertion, without change
of matter, 10 cents per line. Minimum charge
per week, 30 cents. Count five words to
line.
Each initial and group of not more than five
figures counts as a word.
If so desired, advertisers may have replies
addressed to box number, care of The
Courier, and forwarded to their private ad-
dress, or delivered on call at office. For this
service, add 10 cents to cover postage or
filing.

THURSDAY, NOVEMBER 3rd, 1927

A VICARIOUS APOLOGY

At a meeting of the Vernon Board
of Health, held on September 28th,
statements were made by the chairman,
Alderman Spencer, and others reflect-
ing upon the conduct of the Kelowna
civic authorities and health officials in
dealing with the epidemic of infantile
paralysis. These accusations were
shown by an article in The Courier of
October 6th to be false and unwarranted,
and the Vernon News, in its usual
spirit of fairness, published in a sub-
sequent issue the Courier's detailed ac-
count of the steps taken by local au-
thorities to cope with the disease from
the start of the outbreak. It was rea-
sonably to be expected that the Vernon
officials guilty of unjust criticism of
their Kelowna confreres would have
the grace to apologize, but so far they
have made no public reparation and
the Vernon News, apparently in very
shame and concern for the sporting re-
putation of its city, has felt it obliga-
tory to apologize in their stead in the
following terms:

"The issue of The Vernon News of
September 29th contained a report of
the meeting of the Vernon Board of
Health held Wednesday morning, at
which there was in attendance, in ad-
dition to the members of the com-
mittee, a number of officials of the
city of Vernon who have a measure of
responsibility for the safe-guarding of
the health of the community. The meet-
ing was held for the purpose of setting
forth the steps taken to protect the
city from an outbreak of infantile pa-
ralysis and for the suggestion of others.
In the same issue there appeared a
report of a meeting of the Vernon City
Council, held on Wednesday afternoon.
This meeting was attended by Dr. Car-
der, who said he had been sent by Dr.
Young, Provincial Health Officer, to
represent him at Kelowna. The sit-
ing to Kelowna was in response to a re-
quest from Dr. Campbell, acting
Health Officer, for suggestions as to
further measures of safety. As a re-
sult of information secured in Kelowna,
he came to confer with Vernon
health authorities on precautionary
measures."

"These two meetings were held dur-
ing a time of considerable excitement
and strain. The death of Jack Routh
had just occurred. He had been in
contact with a lad from Kelowna, who
had also passed away. There was
great uneasiness as to where the next
blow might strike. Feeling ran high
that, if the children of Vernon were to
be protected from the ravages of so
dreadful and insidious a disease, there
must be no let down in the vigorous
steps that had been taken to prevent
its spread. There were many rumours
flying through the city, and a great
popular demand for more stringent
measures to prevent the spread of the
disease from Kelowna to this city."

"At these two meetings, various civic
officials made statements concerning
the situation in Kelowna and in other
nearby communities. There is no doubt
but that these statements were made
in full confidence that they were a true
and unbiased record of facts. The Ver-
non News, as is the duty of an honest
newspaper, made an exhaustive and
fair report of what transpired at those
meetings. For doing so it offers no
apology. It will continue to report
matters of public interest which trans-
pire at public meetings."

"Following publication, exception was
taken to the truth of the statements
made. Finally, an opportunity was af-
forded this paper for an examination of
the copies of the correspondence which
had been carried on between Dr.
Campbell in the capacity of Health
Officer for Kelowna, and Dr. Young,
chairman of the Provincial Health De-
partment. From this record it is appar-
ent that some of the statements made
at the meetings in Vernon are not in
accord with the records."

"If statements made at the meetings
in Vernon, and reported in this news-
paper, gave rise to unfair criticism of
Dr. Campbell's discharge of the duties
of Medical Health Officer, or his stand-
ing as a medical practitioner, or of the
conduct of other health officials at Ke-
lowna, it is most regrettable. This pa-
per never charged Dr. Campbell or the
Health authorities in Kelowna with ne-
glect or slackness. The Vernon
News, in accordance with its high tra-
ditions and with its regard for accu-
racy and fairness, after examination of
the available records, gladly publishes
the following brief resume of events:

Here follows a statement tallying

with that which was published in The
Courier of October 6th, supplemented
with the following:

"During the whole course of the
epidemic Dr. Campbell was constantly
in touch with Dr. Young by wire and
letter, and, having taken all precautions
which he himself thought advisable, fol-
lowed Dr. Young's instructions to the
letter."

"There was at all times full co-op-
eration between Dr. Campbell and the
Kelowna medical men. Both Dr.
Campbell and Dr. Ootmar, who at-
tended to the outlying districts, made reg-
ular visits to all places where infec-
tion was reported or where it might
exist."

"On September 29th, Dr. Young was
advised that there had been 43 cases
all told, ten of them since the 21st;
three cases since the 24th, with five
fatalities all told, and that the peak
was definitely passed."

"A wire from Dr. Young was re-
ceived on October 3rd asking that an
absolute order forbidding all persons
under 18 years of age from leaving
Kelowna be issued, and advising that
other towns would be informed of the
order."

"That there had been 53 cases; with
seven fatalities was the report made
on October 21st, and that there were
then three cases in the city, two getting
out of quarantine on Sunday and the
other in ten days. The last case in the
city was on the 12th. Dr. Campbell
stated in his letter to Dr. Young on
October 21st that the schools would
not be opened for some time."

OKANAGAN CENTRE

The flattering paragraphs in different
publications written about the exhibit
displayed by the Women's Institutes
of B. C. in the Women's Building at
the Canadian National Exhibition, at
Toronto, are very gratifying to the
Centre Institute, as rather a large por-
tion of the display was sent from this
place. Several pieces of pen-painting,
seven pairs of fine hand-made gloves
of different styles and leathers, a pin-
needle basket and a beautiful lot of
leather corsages were all the work of
members, and following the exhibition
they have received many orders for
similar articles. In spite of many dis-
couraging comments on the "high price
of hand-made products," it is quite evi-
dent that a good article will find its
own market.

Mr. R. Venables returned home on
Saturday from the Cariboo, where,
with his brother, Mr. P. Venables, and
several other men, he has been for ten
days duck shooting, some distance
north of 150-Mile House. He reports a
successful hunt and a most enjoyable
holiday.

Messrs. Gibson and Pixton are today
(Thursday) attending the annual con-
ference of the Farmers' Institutes of
"G" District, which this year is being
held in Vernon. They are presenting a
resolution on the improvement of
country roads, also another which is
hoped will bring about some im-
provement in the hunting regulations,
whereby indiscriminate shooting over
fenced property may be checked.

Not a day goes by without the hear-
ing of some grievance such as, "the
children do not dare play outside,"
"shots rattling on the house roof,"
"No Shooting" signs shot down," and
one man declares he would never get
his work done if he stopped to chase
off all the hunters who trespassed on
his property, which is properly posted.

Every one is feeling relieved over
the lifting of the ban in Kelowna and
adjacent districts, at the same time
commending the prompt and contin-
ued action of the health officers which
has made possible a clean bill of health
in this community. Several parties of
adults attended the showing of "Beau
Geste" in town on Tuesday evening
and numbers have been in on business.
It is expected that the School will be
re-opened on Tuesday.

Tennis enthusiasts are much afraid
that they enjoyed the last sport of the
season on Saturday. Fearing the com-
ing of bad weather, players have filled
the courts on the last two Wednesday
days, taking lunch and "making a day of it"
on one occasion.

The annual meeting of the Badminton
Club has been announced for Sat-
urday. A good attendance is expected
as there will be a discussion of the
possibilities of enlarging the hall.

FRANCE IN THE AGE OF CHIVALRY

John Barrymore Has Leading Role In
Stirring Historical Romance

The feature picture at the Empress
Theatre on Monday and Tuesday next,
November 7th and 8th, is "The Beloved
Rogue," in which the talented John
Barrymore brings to the screen the fas-
cinating, romantic yet historically cor-
rect story of Francois Villon, famous
eccentric poet of fifteenth century
France.

The story begins just before the
birth of the baby Villon, who is des-
tined to influence the entire history of
France through the power of his pen.
The opening sequence strikes a high

• LEST WE FORGET!
POPPY DAY
SATURDAY
NOVEMBER 12

dramatic note without preliminaries,
with the burning at the stake of Fran-
cois Villon's father, advocate of liberty
and compatriot of Joan of Arc. While
his ashes still are smouldering in the
public square of Rouen and while bold
ravens flutter over the charred heap
on the pyre, the mother places some of
the ashes in a small locket and vows
that the babe yet to be born will finish
the work of the father. This locket, on
the birth of Francois Villon, is placed
about his neck and remains there
throughout his life, the significance of
the token forming a poignant dramatic
strain all through the picture.

Then, from this depth of tragedy, the
story swings forward into a lighter
phase, with Villon, now full grown, re-
vealed not only as the greatest poet of
the time, but also as a housebreaker of
exceptional skill, clambering over the
roof tops to steal great pitchers and
using them in a game of wits to defraud
an innkeeper of wine.

Throughout "The Beloved Rogue"
there is this skillful blending of the tra-
gic and the comic, for in Paris of the
fifteenth century tragedy and comedy
went hand in hand. The spirit of the
time is caught by the players and placed
on the screen with a fidelity and
realism that marks one of the out-
standing motion picture achievements
in years.

There are at the present time no less
than 751 fox farms in this province.
They represent an investment of nearly
\$750,000.

Reports from many points in the
interior show that coyotes are becom-
ing more and more a menace to farmers
in spite of the bounty on them having
been raised from \$2 to \$5. In certain
sections of the Cariboo district settlers
have given up raising poultry on ac-
count of steady losses sustained
through their depredations, and the ad-
visability of organizing hunting parties
in an effort to exterminate them is be-
ing discussed.

High Schools and Public Schools
throughout the province will close for
the Christmas holidays on December
22nd and will reopen on January 2nd.
An order to that effect has been made
by the Department of Education.

The proposed plans for a larger fish
hatchery at Summerland have been ap-
proved by the head officials of the De-
partment of Marine and Fisheries and
work connected with necessary changes
and enlargements is being proceeded
with. Every possible assistance is be-
ing given by the Municipality.

**Better the Man with
His Eye to the Sky
than the Man with
His Ear to the Ground**

ALL through its long, successful history, General
Motors of Canada has had its eye to the horizon
... listening not for what followed, but looking
always toward the thing ahead.

And General Motors has seen many of its visions
realized.

It has seen a great industry grow up in Canada to
supply the Canadian family with a means of trans-
portation to meet its needs and resources, to answer
the desire for style, dependability, luxury.

It has seen, in the Canadian Fisher Body plants, the
perpetuation of Canadian ideals of craftsmanship.
It has seen, in the General Motors Research labora-
tories, the development of countless advances and
refinements on which much of modern motoring com-
fort depends.

It has seen, on the General Motors Proving Grounds,
the proof of principles which are now accepted
factors in automobile design and construction.

It has seen the triumph of co-operative purchasing
and manufacturing methods with their resultant
economies to be shared with the buyers of General
Motors cars.

And the eyes of General Motors are still to the
horizon ... still seeking new ways to improve
General Motors cars and to place the cars within
reach of ever-widening circles of Canadian buyers.

SACRIFICE SALE

I have pleasure in informing my customers that I have acquired the

Remarkable Library collected by the late Mr. E. T. Fletcher, of New Westminster.

This library contains fine examples of the Classics in many languages, with many English translations; a large number of historical works, theology, philosophy, philosophy, poetry, drama, science, etc.

In consequence of the space required for this large quantity of books, I find I must sacrifice some of my regular lines at ridiculous prices.

Kelowna Book & Record Exchange 12-1p

Local and Personal

Mr. H. A. Willis was a passenger to Calgary on Saturday.

Mrs. J. McGarrity and child were passengers to the Coast on Friday.

The Dominion Cannery commenced a run of apples today, some fifty hands being employed.

Mrs. E. J. Fowler arrived in the city from Trail on Saturday to join Mr. Fowler, who has taken up residence here.

The annual general meeting of the Kelowna Scottish Society is to be held in the Morrison Hall next Wednesday evening.

The annual general meeting of the Kelowna Basketball Association is to be held tomorrow evening at the Board of Trade Hall.

Mrs. A. E. Miller and small daughter left on Tuesday for Vancouver, where they joined Mr. Miller, who preceded them two months ago.

The members of the Jack McMillan Chapter, I.O.D.E., will hold their first meeting for the season at the home of Mrs. O. France, next Tuesday afternoon.

We are requested to state that the bear to be seen in the window of Mr. J. B. Spurrer, Bernard Avenue, was mounted by Mr. G. C. Harvey and not by Mr. W. Harvey, as we were informed.

Although the peak of the rush is now over, great activity still exists at all the local packing houses, where the work consists in the main in getting shipments, mostly mixed cars of fruit, ready for the prairie market and straight cars of apples loaded for export.

Mr. Thomas Isemeyer, of New Zealand, who, after traveling in a great many countries in order to try and find a missing relative, came to the city on Monday with that objective in view, left the same day for Vancouver Island, where his relative had been located.

We regret very much to announce that Mrs. Joseph Ball, who had been ailing for several months, passed away at an early hour this morning. The funeral service will be held at First United Church tomorrow (Friday) afternoon, at 2.30 o'clock. An obituary will be published in next issue.

Mr. and Mrs. S. A. Falconer, who were visiting Mrs. Falconer's parents, Mr. and Mrs. F. G. Davis, Harvey Avenue, left yesterday for New York. Mr. Falconer, who was employed at Alky, has been called East in order that he may continue metallurgical research work at New York of a highly technical nature.

Mr. A. C. Bennett, the contractor, is making good progress with the erection of the new building being built for the Kelowna Badminton Club south of the courts of the Kelowna Lawn Tennis Club. Play was commenced for the season on Saturday at the Exhibition Building, there being a good attendance of adults and some good games.

Hallowe'en was duly celebrated by most of the boys and girls in the city, who gave full vent to their feelings after many weeks of confinement to their homes. The usual pranks were played, many gags being taken off their hinges, strange signs posted on buildings, etc. Only one malicious act was reported, the breaking of considerable glass at the Richter Street Greenhouses.

The Kelowna Book & Record Exchange has acquired the valuable library of the late Mr. E. T. Fletcher, of New Westminster, consisting of nearly one thousand volumes. A special space is being fitted up for the reception of these books, many of which are rare works in various languages, including French, German, Polish, Danish, Italian and several Oriental tongues.

The s.s. "Sicamous" did not arrive from the south on Friday until 1.25 p.m. and was also late on Saturday, the south-bound trip, of course, being affected as well. The delay was due to the cave-in of a tunnel near Iago, in the Coquihalla Pass, which necessitated the detouring of trains via Spence's Bridge until Monday, when the line was cleared and the regular schedule resumed.

Horned owls and goshawks have been doing considerable damage to poultry recently. Mrs. M. S. Raymer alone having lost some fine turkeys killed by owls, and it is therefore good to know that some are being shot. A fine male specimen of each of these birds of prey is now to be seen in the window of Mr. J. B. Spurrer, Bernard Avenue. They were brought down near Okanagan Mission recently, together with a female horned owl, which is larger than the male bird, by Mr. A. J. Clarence.

During the week from October 23rd to 29th, inclusive, the Kelowna Growers' Exchange made the following shipments: To prairie points and Eastern Canada, five cars of Jonathan, five cars of Delicious, two cars of pears, one car of Spys and thirty-five cars of mixed apples; to B.C. points, one car of pears, one car of mixed apples and onions, two cars of mixed apples and one car of onions; to the United Kingdom, via Montreal, five cars of Jonathan; to Finland, three cars of Jonathan; to the United States, one car of McIntosh; a total of sixty-two cars of fruit and vegetables.

The weather having been almost entirely favourable, tobacco has cured well in the various sheds and barns and the greater part of the Interior crop will be excellent leaf. All varieties have cured well and in no portion of the country has an outstanding failure been made. A considerable portion of the crop has been stripped and stripping is now being carried on where the later varieties were cultivated. It is yet uncertain when the work of grading will commence at the Exhibition Building, but this will probably be about the middle of December. A list of applicants for work there is being made at the local office of the Provincial Department of Labour.

The Rutland Superior and Public Schools will reopen next Tuesday.

The welcome sight of young people on the streets was seen this morning.

Many of the patients in the Kelowna General Hospital were moved to Cadder House on Monday.

Mr. R. H. Hill returned from England on Tuesday and is the guest of Mrs. W. R. Pooley, K.L.O. Bench.

Miss S. A. Storey left on Saturday for Lyleton, Manitoba, where she will be the guest of her sister during the winter.

Mr. D. MacLeod and Mr. A. J. Marlow, of Vancouver, who were staying at the Palace, left for the Coast on Tuesday.

Travel is again taking the lower road between Peachland and Summerland, the various slides having been made passable for cars.

Dr. J. W. Frank, Dominion Veterinary Inspector, Vancouver, who was staying at the Lakeview, left on Tuesday for North Okanagan points.

In the Provincial Police Court, on Saturday, a man who had stolen a tent from Mr. W. Price was fined \$20 and \$2.50 costs and ordered to restore it to its owner.

Mr. "Ted" Buse returned on Monday from a trip to Revelstoke and left yesterday for Kamloops en route for Vancouver. He will be absent from the city for over a week.

In the City Police Court, on Monday, a man who had created considerable disturbance in a local restaurant on Saturday evening was fined \$25 and \$2.50 costs for having been drunk in a public place.

Rev. E. D. Braden, formerly Minister of the First United Church, paid the city a flying visit on Monday and Tuesday, coming here from Penticton and leaving on Tuesday afternoon's train for Vancouver. While here he visited a number of his old congregation.

The many friends in this city of Miss Mary Beatrice Mills, A.T.C.M., who was supervisor of musical instruction at the Public School in 1926, will be interested to hear that she was married to Mr. Christopher Herbert Johnston, of West Vancouver, on October 22nd. The wedding took place at Vancouver.

The Provincial Department of Public Works is constructing a new traffic bridge over Trout Creek on the main highway between Summerland and Penticton. Travel between the two points now passes over a temporary structure. The new bridge is a King truss, forty feet over all, with concrete foundations.

The date selected for Friday, November 11th, for the annual Armistice Dance, under the auspices of the Kelowna Branch of the Canadian Legion, has been approved by Dr. G. L. Campbell, acting Medical Health Officer. Preparations for the dance are well under way, and it promises to be a very successful event.

DETERIORATION OF APPLES IN TRANSIT

(Continued from page 1)

their shops, and the Retail Fruiters' Association at Liverpool has expressed approval of the work. A beginning has already been made and it is hoped to extend this part of the enquiry considerably in the future.

British Columbia Shipments

The box container in which the British Columbian apples are shipped, greatly simplified the work of investigation since it was possible to open the box for the examination and close it again without detracting from its appearance or market value. Consequently, this fruit could be studied in greater detail than the barrelled apples from Eastern Canada.

For each shipment, particulars were obtained of the number of boxes of each variety in the different car loads. Using this as a guide, a systematic examination was made, particular attention being paid to the larger marks. Sample boxes were opened, and an estimate of the wastage was made. Where considerable wastage was found, a correspondingly larger number of boxes was examined, but, so far as possible, a sufficient number was opened in each lot to give a fairly definite impression of the condition of the fruit. It will readily be understood, however, that the extent of the examination is limited by the time available before the fruit is removed from the dock and that this is not always sufficient for the whole cargo to be covered.

At this stage of the enquiry no generalizations can be attempted, but the results of the preliminary investigations certainly point to internal breakdown as the only serious source of wastage in British Columbian apples, and this appears to be the most promising field for research. The problem is of sufficient importance to justify carefully controlled storage experiments to determine the exact conditions which bring about the breakdown; the variations between the susceptibility of Jonathan apples from different localities is also of considerable interest.

No information is available as to the respective conditions in the various fruit-growing districts, and consequently no suggestion can be advanced to account for the differences in wastage found in the consignments from the various localities. It is possible that differences in soil, orchard treatment or storage conditions may be determining factors; on the other hand, the greater degree of wastage may be no more than a seasonal variation. The last hypothesis receives some support from the results of experiments carried out at the Central Experimental Farm at Ottawa during the season 1923-24. These experiments revealed striking differences in the susceptibility to internal breakdown of fruit from different districts but fruit in which the disease was most prevalent did not come from the districts which showed most wastage in the present investigation.

Shipments From Nova Scotia And Ontario

Only a very limited examination can

LEST WE FORGET!

POPPY!

be made of a barrel of apples without diminishing its market value for, if many of the apples are removed, the pack is disturbed and the barrel becomes slack. In practice, therefore, it was possible to examine only one or two barrels of each "mark" and variety, as a rule utilizing the sample barrels opened by the brokers for their own information.

The problem of the slack barrel, however, seems to be of even greater importance than wastage and a good deal of consideration has been paid to this question. The investigations are still in the experimental stage and sufficient progress has not been made to justify any generalizations, but it may be of interest to indicate the lines of enquiry followed.

As a preliminary, several experiments were carried out on Nova Scotia and Ontario apples to obtain a comparison of the actual condition of the fruit in tight and slack barrels. Typical tight and slack barrels from the same grower were selected and each apple was examined individually and classified according to condition, particular attention being paid to bruising and variations in the condition of the fruit in different parts of the barrel. No striking differences were detected between the two types, but it is proposed next season to institute a systematic study of this problem.

A statistical analysis of the Liverpool brokers' catalogue has meanwhile been instituted with a view to determining the relative susceptibility of the different varieties to slackness, and any variation through the season. A comparison is also being made of the consignments from different packing stations.

It is hoped, as a result of this analysis, to arrive at a basis for experiments, and a draft memorandum has been submitted to the Canadian Fruit Branch outlining a preliminary investigation to ascertain the effect of different methods of packing.

The Board's officers desire to express their appreciation of the invaluable assistance rendered in the course of the enquiry by Mr. J. Forsyth Smith, Canadian Government Fruit Trade Commissioner.

Notice!

SCHOOLS will re-open on Tuesday morning, Nov. 8.

NO DANCES may be held.

From this date there are NO OTHER QUARANTINE RESTRICTIONS in effect.

THE Bank of Montreal, on November 3rd, completed the 110th year of its existence.

Opening its first office in Montreal 30 years prior to the Confederation of Canada, the Diamond Jubilee of which was celebrated by the Dominion this year, it has steadily expanded into every part of British North America.

Today it has over 600 Branches located throughout Canada and Newfoundland, with its own offices in Great Britain, France, the United States and Mexico, and offers unexcelled facilities in all departments of domestic and foreign banking.

RUTLAND

It is with regret that we learn that Mr. and Mrs. Ira McClure and family are leaving the district to reside in Kelowna. They have many friends in Rutland and will be much missed. As Mr. McClure was one of the School Trustees and has resigned, another Trustee will have to be appointed in his place. The ratepayers will be called upon to do this as soon as the ban is lifted altogether.

The Rutland packing house still presents a busy appearance, which will continue until the middle of the month. During the month of October, 61 carloads of apples and 14 carloads of fruit in general were shipped out.

We hear that Mr. and Mrs. John Mack, who have been living in this district for many years, have qualified under the old age pensions scheme. We trust they will live long enough to enjoy more than the mere pittance they are at present receiving.

Rutland has a clean sheet once more in regard to infantile paralysis, all the cases being out of quarantine. With one exception, the disease was of a mild nature and the children are making good progress towards complete recovery.

Up to time of writing, we have received no word as to when the ban in regard to those under 18 years of age will be removed or when school work is likely to be resumed. This cannot be delayed much longer, however, as no further cases have been reported. By the way, we learn that there is a disposition on the part of some of the parents to delay sending their children back to school after it assembles. If this is true, such action will not only be foolish but unfair to the teachers; foolish, because the Medical Health Officer is not at all likely to take chances in allowing the children to go back to school earlier than he thinks fit, and unfair, because the teachers will be heavily handicapped when they resume their duties on account of the prolonged cessation of lessons, and should not have their difficulties added to because of the unnecessary absence of pupils through over-anxiety on the part of their parents.

Hallowe'en passed off very quietly in the district this year. For once, as

LAND ACT

Osoyoos Land District, District of Yale.

TAKE notice that Dougald McDougall of Kelowna, B. C., occupation land surveyor, intends to apply for permission to purchase the following described lands:

COMMENCING at a post planted at the south-east corner of District Lot twenty-one, hundred and eighty-two (2182), thence north forty (40) chains; thence east ten (10) chains; thence south forty (40) chains; thence west ten (10) chains; saving and excepting therefrom a parcel consisting of two (2) acres, more or less, which has been set aside for school purposes, and containing 38 acres more or less.

DOUGALD McDOUGALL,
Agent for Palmer Brooks Willits.
Dated 30th September, 1927. 8-8c

LEST WE FORGET!

POPPY DAY SATURDAY NOVEMBER 12

far as we could see, no gates were touched, no wagons put in awkward places, and it would appear that the "evil spirits" took a holiday this year.

Miss Margaret Sutherland is leaving shortly for Vermilion, Alberta, where she will take a course in home economics at the Agricultural School there.

After several weeks without church services, the United Church was once more open on Sunday evening, when, despite the short notice given, a fairly good congregation assembled. Services will be held as usual from now on, and we hope to announce in next week's issue that the Sunday School will re-assemble the following Sunday. Next Sunday's service will be of a Thanksgiving Day nature, and it is hoped that all who can will bring fruit, vegetables and flowers wherewith to decorate the church.

The following fruit and produce was imported at Vancouver during the week ending October 25th, 1927:

Apples, Wash., 1 box; grapes, Wash., Concord, 60 baskets; grapes, Cal., 4, 309 lugs; bananas, Mexico and Central America, 1,552 bunches; pomegranates, Cal., 35 pkgs.; persimmons, Cal., 46 lugs; oranges, Cal., 872 cases; lemons, Cal., 690 cases; grapefruit, Arizona, 2 cases; grapefruit, Florida, 113 cases; green figs, Cal., 2 boxes; olives, Cal., 25 boxes; Honeydew melons, Wash., 12 cases; Persian melons, Cal., 2 crates; Turkish melons, Cal., 1 crate; Casaba melons, Wash., 20 crates; eggplant, Wash., 26 crates; peppers, Wash., and Cal., 25 crates; sweet potatoes, Cal., 10, 063 lbs.; sweet potatoes, Japan, 3,000 lbs.; head lettuce, Cal., 9 pkgs.; Brussels sprouts, Cal., 2 drums; artichokes, Cal., 3 boxes; okra, Cal., 1 box; onions, Wash., 616 sks.; garlic, Cal., 600 lbs.

Large quantities of grain are now being shipped from the Prairie Provinces to Vancouver. On the main line of the C.P.R. nine extra train crews are handling a portion of this traffic, while the C.N.R. has also been obliged to run extra grain trains in order to cope with its share of business.

NOTICE

In the matter of the Estate of Joseph Gabriel Childs, late of Rutland, in the County of Yale and Province of British Columbia, deceased.

NOTICE is hereby given that the Creditors of the above named Joseph Gabriel Childs, deceased, who died on or about the 17th day of September, 1927, are required to send the particulars of their claims against the Estate of the said Joseph Gabriel Childs, deceased, to the Solicitor for the Executor at the address given below, within six weeks from the date hereof.

AND NOTICE is further given that at the expiration of the said period the Executor will proceed to distribute the assets of the estate amongst those parties entitled thereto, having regard only to the claims of which the Executor shall then have notice.

DATED at Kelowna, B.C., this 10th day of October, A.D. 1927.

T. F. McWILLIAMS,
Solicitor for Lewis Coombs Riley, the Executor, and whose address is Paret Black, Bernard Avenue, Kelowna, B.C. 9-6p.

NOTICE

IN THE MATTER of the Estate of GEORGE WHELAN, deceased. NOTICE IS HEREBY GIVEN that all persons having claims against the Estate of George Whelan, Farmer, formerly of the District of Ellison, near the City of Kelowna, in the Province of British Columbia, who died on the 14th day of August, 1927, are required on or before the 8th day of December, 1927, to deliver or send by prepaid letter post full particulars of their claims duly verified to the undersigned, Solicitors for the Executors of the said George Whelan, deceased, at Kelowna, B. C.

AND TAKE NOTICE that after the last mentioned date the Executors will proceed to distribute the assets of the deceased amongst the persons entitled thereto having regard only to the claims of which they shall then have had notice.

DATED at Kelowna, B. C., this 27th day of October, 1927.

BURNE & WEDDELL,
Solicitors for the Executors, Joseph Fernan Bell of Ellison, B. C., and Ernest Leslie Clement and Henry John Hewitson, of Kelowna, B. C.

TWENTY YEARS AGO

(From the files of "The Kelowna Courier")

Thursday, October 31, 1907

"Mr. and Mrs. Fordham arrived from England last week and are staying with Mr. J. H. Thompson pending the completion of their house."

"Last week, the 'Skookum' delivered to the Farmers' Exchange the largest load of apples ever received by that institution at one trip. It consisted of 164 boxes of Spies and Ben Davis from the orchard of Mr. Roy Sweeney at Okanagan Mission."

"Mr. E. C. Weddell left on Tuesday for Vancouver to enter as a law student the office of Davis, Marshall & McNeill, one of the leading legal firms in that city. 'Bud' will be much missed in Kelowna, especially on the lacrosse team, in which he was one of the best players."

"The Kelowna Tobacco Leaf Co. have begun business by buying the stock and crop of Messrs. Holman & Casorso, and are also buying all the available tobacco in the valley. It is their intention to keep the crop of 1906 until fully cured, so as to get a better price for it than has been the experience hitherto, when the tobacco crops were hastily marketed a few months after harvesting and before they were completely cured. This year's crop will be put through the curing process as soon as it is sorted."

"The company will build a concrete sweating house and factory early in the spring, and in the meantime have rented Fraser Bros. and Whitehead's cannery premises in which to carry on operations during the winter."

"The price paid local growers for leaf varies with the size, ranging up to 13c per pound for the variety known as Spanish tobacco, while much higher prices are paid for the Havana leaf varieties. Hitherto the bulk of the leaf grown has been Spanish, but the export lately here from Ottawa strongly advised the growing of Havana, and the Company will encourage growers to produce it, as it is much more remunerative."

"The capital of the Kelowna Tobacco Leaf Co. is \$50,000. of which \$30,000 has been subscribed, and it is not the intention of the directors to sell the balance of the stock at present. The officers are: President, F. R. E. DeHart; Secretary, N. D. McTavish; Managing Director, L. Holman; Directors, J. Casorso, L. Holman, F. R. E. DeHart, R. A. Copeland and M. J. Monckton."

CHURCH NOTICES

ST. MICHAEL & ALL ANGELS. Nov. 6th. 21st Sunday after Trinity. Festival of All Saints and Children's Day will be observed.

8 a.m., Holy Communion.
11 a.m., Matins, Choral Eucharist and Sermon.

2.30 p.m., Children's Service of Thanksgiving.
7.30 p.m., Festal Evensong and Sermon. Anthem: "What are these" (Stainer). The children are invited to attend the services with their parents. Special invitation to Anglicans from the outdistricts to attend these services.

ST. ANDREW'S CHURCH. OKANAGAN MISSION. Thanksgiving Services will be held on Sunday, 13th, at 11 a.m. and 3 p.m.

St. Michael and All Angels' Church. Armistice Day, Friday, 11th, will be observed by a Celebration of the Holy Communion at 10.40 a.m., and the "Two Minutes' Silence" observed at 11 on the striking of the hour by the Church bell. Anglicans are asked to observe the "Two Minutes' Silence" wherever they may be.

THE UNITED CHURCH OF CANADA.—First United, cor. Richter St. and Bernard Ave. Rev. A. K. McMinn, B.A., Minister. Mr. Donald Macrae, A.T.C.M., Organist and Choirmaster.

11 a.m., Service in Commemoration of the Armistice. Sermon subject: "Flooding for Peace." Anthem: "Recessional" (De Koven). Baritone solo: "Crossing the Bar" (Willeby). Mr. William Campbell.

There will be no Church School until further notice.

7.30 p.m., Service of National Thanksgiving. Special preacher: Dr. Colin G. Young, of Toronto. Anthem: "Praise the Lord O Jerusalem" (Maudslayi). Soprano solo: "Come ye Blessed of My Father" (Scott). Mrs. J. H. Tremwith.

The Official Board will meet on Tuesday, Nov. 8th, at 8 p.m.

FIRST BAPTIST CHURCH. Rev. A. J. D. Milton, Pastor. Morning Service at 11. Subject: "What I believe and why." Evening Service at 7.30. Subject: "Geology and Genesis."

In view of the present controversy and the widespread interest evinced in the great subject of man's origin and destiny, and because of its tremendous importance to every one among us, the Pastor has decided to preach on a series of topics dealing with these great questions. You are cordially invited to attend and to bring your problems. Questions of general interest from the standpoint of the Bible will be answered, if written on a sheet of paper and placed on the collection plate. Come and bring your friends.

LETTERS TO THE EDITOR

RELIEF WORK OF THE CANADIAN LEGION

Kelowna, B.C.,
Oct. 31st, 1927.

The Editor,
Kelowna Courier.

Sir,
November the eleventh, 1927, marks the ninth anniversary of the signing of the Armistice, which put an end to the greatest and most disastrous war of all times.

The Canadian Legion of the British Empire Service League will again appropriately celebrate the occasion locally by means of Poppy Day, the Armistice Commemoration Service and the Armistice Dance.

It is generally known that the proceeds of these activities are devoted to the relief of necessitous cases amongst ex-service men, but many people are totally ignorant of the means by which this is done, and of the other activities of the Canadian Legion in assisting cases of distress.

Occasionally one hears the remark, "O yes, the Canadian Legion is nothing but a glorified beer club." Let me say at once that such a remark can only come from those who are ignorant of the Club and its members, and who, possibly for a quite good reason, did not have the honour to wear His Majesty's uniform.

Let me explain how the relief fund is expended. One member of the Committee and the Secretary act as the Relief Committee to handle all cases of emergency, and with power to spend a sum not exceeding \$5.00 on any one case; any greater expenditure requires the sanction of the full Committee of the Club. All this relief, of course, is limited strictly to ex-service men.

Since the advent of the railway, the number of transients, (I nearly said hoboes, but one hates to apply that title to a man who has served his country) has increased immensely, and an appreciable proportion of these, are, I regret to say, ex-service men.

These men are going from one place to another in the hope of finding work (I am speaking of the majority who are genuine seekers) and are very often destitute, and they may, on production of a discharge certificate, receive relief in the shape of an order for meals or groceries in the summer, or meals and bed in the winter, at no time in money, given to them. They are also advised that only one relief is given, and urged to move on to another place.

Further, there are from time to time demands on the relief fund for assistance for local residents who have the misfortune to be taken sick or through sickness in the family.

It is an interesting fact that 95 per cent of our relief monies are expended on non-members of the Club. No distinction however, is made, the only qualification for relief being a proven case of real hardship.

Apart from the transient travellers on the road, the following examples will indicate what has been done in the way of relief to local residents among returned men.

Case 1.—Man sent to hospital sick, wife, five children; sickness not attributable to service. Relief: groceries sent to family, and a grant of \$50.00 obtained from the Canteen Fund Board to assist in the payment of hospital bill.

Case 2.—Wife of returned man very ill after confinement. Family three children, baby given to care of competent woman until mother in better health. Relief: Groceries and firewood sent, and work obtained for husband.

Case 3.—Wife of returned man had lengthy illness after operation; family, three children. Relief: Grant of \$100 obtained from the Canteen Fund Board to assist payment of hospital expenses.

Case 4.—Man and wife, four children, assisted with groceries for three months during winter, owing to sickness at time when work was plentiful.

Case 5.—Man with old shrapnel wounds which were giving trouble. Relief: Man placed in hospital, and although pension had been commuted some years previously, representations were made and he was again placed on the strength, receiving pay and allowances and free hospital treatment.

These are only a few of the typical cases that come up for attention, there being many others too numerous to mention in the space at disposal.

In connection with the Canteen Fund Board, it may be stated that British Columbia's share was some \$250,000.00, and that this fund is being administered by a Board of Trustees, of whom Col. F. A. Robertson is a member and Secretary.

The Fund has not been allocated for any specific purpose as yet, owing to lack of agreement among returned men as to the best object for its disposal, but in the interim the interest is being used for such cases of relief of distress as affect ex-service men and their families.

In addition to the above, the Club is constantly taking up with the authorities concerned, the matter of pension claims, adjustment of pensions and allowances, appeals from Medical Boards,

and such like matters. At Christmas time, hampers of groceries and gifts for the children are sent to those in need. Public money is not used in this case, however, the members making special contributions for this purpose.

It will be seen, then, that the work of the Canadian Legion is not apparent except to those in close touch with its affairs.

Look at the matter from the civic point of view. The City Council and, through them, the ratepayers have been saved thousands of dollars in the last nine years by the work of relief carried out. Furthermore, the Hospital authorities have had many accounts paid which would have been otherwise uncollectable, through the same agency, and by means of the grants from the Canteen Fund Board, and last but not least, help has been given to those in need when they most sorely needed it. This is not a special appeal for funds.

On the contrary, the citizens of Kelowna and district have always been most generous in supporting our Poppy Day, our Armistice Commemoration Service and Armistice Dance, but I wish to place some facts before our people and throw a little light on a subject which is, I fear, but little understood and not fully appreciated by the public at large.

I feel I cannot close this letter without a tribute to our Medical Officer, Dr. G. L. Campbell, to whose unselfish and devoted service every returned man will bear witness. Dr. Campbell has given much valuable time in the interests of the disabled and sick, and his patience, thoroughness and sympathetic treatment of each individual case has earned for him the undying gratitude of all returned men in the district, and his co-operation and work with the club officials in the interests of these men has been of inestimable value to ex-service men and the mem-

bers generally.
I am, Sir,
Yours faithfully,
E. W. BARTON.

Automobile owners in Prince Rupert, at a well attended meeting last Friday evening, decided to investigate the possibility of forming a branch of the Automobile Club of British Columbia. Mr. Ross MacKay, Secretary, was instructed to secure information and literature relative to affiliation, and to arrange, if possible, a visit by the club field secretary. There are approximately 300 car-owners in the Prince Rupert district.

A carload of big horn sheep from Banff are to be placed in Strathcona Park, Vancouver Island.

The Provincial Government is distributing car licence plates for the year 1928 well ahead this year in order to

avoid the usual rush which occurs on reverse of that now in use, the figures January 1st. The colour scheme is the being orange on a black background.

BASKETBALL

Annual Meeting Of Local Association
Tomorrow Night

With the lifting of the ban on public
gatherings, basketball followers
will have an opportunity tomorrow (Friday)
night to assist in organization for the
winter's activities. The postponed an-
nual general meeting of the Kelowna
Basketball Association has been called
in the Board of Trade Rooms at 8 p.m.
sharp, the principal item of business be-
ing the election of officers to carry out
the programme of the winter. Every
one who is at all interested in basket-
ball is cordially invited to attend and
to take part in the laying of plans for
what should prove another successful
season. Reports of officers will give
an outline of the enormous amount of
work carried out last year, and the
public who supported the local club's
endeavours are asked to turn out and
ascertain the methods pursued by the
local executive.

Prospects for basketball this year are
exceptionally good, with practically all
of the provincial Senior B champions
again available. Dick and Jack Parkin-
son, Turk Lewis, Carson McLeod, El-
wyn Williams, "Stub" Rowcliffe are all
available, while Warren Gayton, a
member of Winnipeg Toilers, Domin-
ion champs last season, is also likely to
locate in Kelowna, and his presence
will offset the loss of that promising
young athlete, Harry Campbell, who
is now attending Normal in Victoria.
"Chuck" Henderson, former star of
the Revelstoke Intermediate A, provin-
cial title-holders, is also in town, and
if he remains will provide an additional
high class performer for the Senior
crew.

It is almost certain that the Hornets
will move up into Senior A company
this year and make a bid for provincial
and Canadian titles, their performances
of last season making the advance jus-
tified. While such a move would de-
prive Kelowna of much opposition in
the Interior, it will simply mean that
more Coast teams will be brought in
to provide training, and, as Kelowna
have not lost a game on their own
floor during the past two years to
Coast aggregations, the prospects are
exceptionally bright should the locals
decide to move up. This and other
matters affecting the number of teams
to be entered, the date and location of
the annual dance, the first outside at-
traction, and such matters will be dealt
with by the new executive which is to
be elected on Friday evening. For this
reason it is important that all those in-
terested in basketball, and for whom
the local club endeavours to give the
best entertainment possible, turn out
and assist the club in continuing the
progressive policy initiated last year.

Although Kamloops are without a
hall to use for basketball, it is under-
stood that a group of citizens headed
by Dr. R. W. Irving, president of the
Interior Association, are still endeav-
ouring to secure some way of procuring
suitable quarters for the winter, so
that the teams which have been coach-
ed along and which have done so much
towards increasing the interest in var-
ious divisions below seniors, may not
lose the benefit of their basketball ex-
perience. Kamloops have always been
a drawing card in any place they have
played, and their loss this year would
be a severe one. It is earnestly hoped
by Kelowna enthusiasts and supporters
that they will find a way out of their
difficulty and that they will be able to
enter teams in the Interior and provin-
cial championships in the spring.

The Interior Association's annual
gathering will also be held shortly, and
at this meeting will be discussed ways
and means of extending the present
competition as far as possible. At this
meeting there will also be discussed
the proposed amendments to the pro-
vincial constitution, and the number of
teams which will be entered by the
various clubs will be fairly well known,
after which preparations will be made
for the staging of the playoffs in var-
ious divisions in the spring.

REQUIREMENTS AS TO LIGHTING EQUIPMENT

Headlight testing stations are now
being operated in Vancouver and Chill-
iwack by the Automobile Club of Brit-
ish Columbia, which plans to extend
this activity to the entire province.
Provincial legislation on lighting equip-
ment for automobiles is quoted below:

"Every motor vehicle shall be equip-
ped with two headlights of equal candle
power, one mounted in a conspicuous
place on each side of the motor-vehicle.
During the period from one-
half hour after sunset to one half-hour
before sunrise such headlights shall be
kept lighted whenever the motor-ve-
hicle is in motion on any highway.
Every headlight equipped with a re-
flector shall be so constructed, equip-
ped, or mounted, that no portion of the
beam of light therefrom when project-
ed seventy-five feet or more ahead of
the headlight rises above a plane forty-
two inches higher than and parallel
with the plane on which the motor
vehicle stands."

Only one spot-light may be carried,
the regulations state. The beam must
be directed to the right and strike the
road within 100 feet from the front of
the vehicle when the vehicle is in
motion.

THE ADVANTAGES OF BEEKEEPING

Beekeeping is an occupation that
often yields a good profit and combines
healthy outdoor work in pleasant wea-
ther with the fascinating study of an
insect whose marvellous habits are a
subject of absorbing interest to the
nature lover. All kinds of people may
keep bees and they may be kept in the
city or country. With a little help for
the heaviest work, women often make
successful beekeepers. Many farmers
have found that as a side line beekeep-
ing gives as large a return as anything
else on the farm.

The successful management of any
apiary does not require the expenditure
of much time but it does require an ac-
curate knowledge of what to do and
when to do it. To make this knowledge
easily available to Canadians, the De-
partment of Agriculture has issued a
comprehensive bulletin on "Bees and
How to Keep Them" which may be
obtained from the Publications Branch
of the department, at Ottawa. It is
pointed out in the bulletin that an abun-
dance of nectar-secreting flowers, with
a high average of favourable weather
for the production and ingathering of
nectar, make Canada a good country
for the beekeeper. The bulk of Cana-
dian honey is of unsurpassed quality and
finds a ready market when properly dis-
tributed.

To fruit growers bees may be even
more valuable for ensuring the crop of
fruit than for honey production, as they
are useful pollinizers of many fruits as
well as of several farm and garden
crops. In alsike-growing districts, for
example, farmers are glad to have a
beekeeper locate his apiary near their
fields because an abundance of bees in-
crease the seed crop.

THE ALL IMPORTANT GLOVE---DENT'S

Gloves play a very important part in mi-
lady's wardrobe this fall. The correct glove
adds just that touch of smartness which is
so necessary to the fall costume. The gloves
for fall are unusually smart and yet so prac-
tical, as most of the gloves are fashioned of
washable materials. They also have various
attractive cuff treatments and new stitchery
effects. You will find a complete assortment
here—gloves to match or blend with any
costume.

**Chrysler Standardized Quality
Revises Values Upwards**

Chrysler Standardized Quality, by pioneering
and developing scores of improvements
and making them available to all Chrysler—"52,"
"62," "72" and Imperial "80"—has set new
higher standards of value in the whole auto-
mobile industry.

Because of these extra measures of value, Chry-
sler cars can fairly be compared only with
others of much higher price. Universally Chry-
sler cars represent far more than anything else
the same money will buy elsewhere today.

All prices f. o. b. Windsor, Ontario, including standard factory
equipment (freight and taxes extra).

Chrysler dealers are in position
to extend the convenience of
time payments. Ask about
Chrysler's attractive plan.
